

Maternity self-referral

Chawton House Surgery

Have you just found out you are pregnant?

If you have an E-mail account you can now refer yourself for maternity care.

The reason for setting this up is to speed up the referral process for you, so that you are booked with a midwife and referred for screening in a timely manner.

There will be no need to make an appointment with your surgery. We will inform your GP that you are pregnant.

Please go to our web page by following the link or QR code below and follow the instructions online.
